

CLUB DYNAMITE JNR BOYS HANDBOOK

Welcome to the Junior Boys program at Club Dynamite!

JUNIOR BOYS:

Junior boys is a foundation Gymnastics program for boys from Prep-Year 2 at school.

Through our Junior boys program, boys develop their coordination, strength, flexibility, balance, confidence, agility, courage, persistence, determination and focus.

The boys will learn a variety of gymnastics skills including rolls, handstands, cartwheels and many gymnastics skills on trampolines, floor, rings, high bar, pommel horse, vault and much, much more.

Our Junior Boys program is a stepping stone towards our MAG Team, so we focus on helping the boys to develop the discipline and technique they need to be successful competitive gymnasts as they get older.

Gymnasts can also move up to the Gym medal program as they get older, starting in the Bronze group. This is a recreational program based on learning exciting and progressive gymnastics skills.

You are welcome to stay and watch your child's class from our viewing area or to drop your child off and pick them up at the end.

We have large, air conditioned waiting areas, with free WiFi facilities and a mezzanine viewing deck, where you can see all that is going on in the gym.
