Sandra Nolan gave birth to a baby boy, Daniel Robert on 26th June, all are well and we will see Sandra back in the admin chair very soon.

Dane Smith announced his engagement to Dewi Surland.

Block 3 must be the romantic time of year!

Still more congratulations: to all our young gymnasts who attended the club competition on 17th June, for a lot of you it was a new experience and we hope it was a beneficial one!

As always events like this don't happen without the willingness of the coaching team to volunteer their time and all the background work undertaken to make the event run smoothly. Thank you to all concerned.

Thank you to the DAG committee for the raffle prizes, winners were: Stitz Family, Messori Family and Armitage Family.

Dollars raised on the day totalled \$461.94, thank you all for your support. Our next goal for the Club will be to have a mezzanine floor over the parents area allowing us to conduct break dance and circus classes and re-mat the bar area.

Area of Concern...Over recent weeks Bunning's staff have been concerned with the increase of unattended children crossing the truck driveway besides our building. They do not mind us parking on their side, however for the safety of the children please do not let them walk unattended across the driveway; remember the truck drivers are not expecting to see children in a delivery zone!

Block 4 Dates: Monday 30th July > Sunday 7th October

Please return the attached booking form as soon as possible.

Colouring-in competition was a great success and certainly made my office walls a bit more cheerful.

Section winners were: Ellen Cox, Christina Gleeson and Kate Jinks

2nd Place : Kristel Seuss, Emma Dalton and Emilee Jenson

3rd Place : Danica Stitz, Jamilla Carr and Maddie Walker
